

## CORN AND BLACK BEAN SALAD

2 15 oz cans whole kernel corn  
2 15 oz cans black beans  
2 avocados, diced  
juice of 2 limes  
1/8 - 1/4 c red onion, finely diced  
3/4 of 16 oz jar of salsa (adjust spice level to taste)  
1 8 oz block of Pepper Jack cheese, grated

Rinse corn and black beans well and pour into a medium sized bowl. Dice avocados and add to mixture.

Cut limes in half and squeeze on top of avocados. Add onion, salsa and cheese. Mix well.

Refrigerate until ready to eat. This salad improves with time as the flavors blend.  
Makes 20-4 oz servings.
